- Full Working Copy & I already own the ACS Atlas ...\$295.00
- Demonstration Version\$10.00

Macintosh

- Full Working Copy with ACS Atlas\$345.00
- Full Working Copy & I already own the IO Atlas ...\$295.00
- Demonstration Version\$10.00

Goravani Jyotish 2.22 requires: Pentiums, PowerMacs, G3 Macs, or 040 Macs, all with at least 16 MB of RAM, and at least 120 MB on disk to install. Pentium 166's and up are very good. G3 Macs are great, and PowerMacs are fine, 040 Macs will run. Will be unbearably slow on a 486, therefore, it is **not** recommended for use with 486's. For best results, this version requires a **"fast"** computer by **current** standards. Older Computer owners can take advantage of our older version, see below.

Training Video's for Software and Jyotish - Optional

Check as many as you like. Note that choice #3 contains #1 and #2.

PAST VERSION 1.92 USE THIS SECTION ONLY IF YOU HAVE AN OLDER COMPUTER - CHECK ONE

Windows 3.1, 95, 98 and NT

- Full Working Copy with ACS Atlas\$345.00
- Full Working Copy and I already own the ACS Atlas\$295.00
- Demonstration Version\$10.00

Macintosh

- Full Working Copy\$295.00
- Demonstration Version\$10.00

Goravani Jyotish 1.92 requires: 486 PC's and most Macs, with at least 8 MB of RAM, and at least 60 MB on disk to install. On Mac, requires system 7 or later. On both requires a color monitor at least 13" diagonally or in more technical terms, it requires 640 by 480 resolution. If you have that much, and color, then the monitor is fine.

FIGURE SHIPPING CHARGES IF ANY

There are NO additional charges for the US and Canada.
Elsewhere, for 2.2 Software orders with NO video's add: Mexico, England & Western Europe \$2, All others \$4
Elsewhere, for 1.92 Software orders with NO video's add: Mexico, England & Western Europe \$5, All others \$7 (1.92 is heavier than 2.2)

For orders which contain video's:
 For each video included in your order (count each video in the sets you order) add as follows: England & Western Europe & Carribean \$3, All others \$4.50. You can drop the software shipping price if you are ordering video's with 2.2 as we can slip the software into the same box no problem. But with 1.92, you cannot drop the software shipping charge.
